1. Wrong / Unauthorized Parking

If any vehicle (resident, tenant, or visitor) is found parked in a non-parking zone, fire lane, driveway, entry/exit gate, or any other area not designated for parking, the security team is authorized to lock or immobilize the vehicle to prevent obstruction.

2. Penalty Provision

In case a vehicle is locked due to parking violation:

- i) A penalty of ₹300 per day shall be applicable from the date and time of locking until the vehicle is removed.
- ii) The security team shall unlock the vehicle only after confirmation of payment or approval from the RWA office.

3. Repeat Violations

- i) For repeated offences (more than 3 in a year), the penalty may be doubled, and a written warning shall be issued by the RWA.
- ii) Continued non-compliance may result in temporary suspension of parking privileges as per RWA decision.

4. Responsibility & Cooperation

Residents are requested to instruct their drivers, family members, and visitors to park vehicles only in designated parking areas and to fully cooperate with security personnel on duty.
